PREPARING FOR YOUR UPCOMING APPOINTMENT

NEW PATIENTS: To save time at your visit, we ask that you fill out the new patient paperwork online. Please click [this link](#) to complete the necessary forms. Bring a photo ID, referral slip, dental insurance information and a form of payment to your appointment. Any co-pay is to be paid at the time of service. Also, to schedule your next appointment a down payment of up to \$200 will be required. We submit claims to your dental insurance. Some insurance companies pay you directly for their portion, in which case we collect our office fees in full. The cost range for a first visit is between \$195- \$395 depending on what services are rendered and what type of x-rays may need to be taken. If there are questions about co-pays please call our office.

SURGICAL PROCEDURES AND DEEP CLEANINGS: If you are being sedated, your driver must stay in the waiting room or parking lot during your appointment. For IV Sedation, please wear loose clothing and have fasted for at least 6 hours prior to your scheduled time. We collect all estimated co-pays in full when you arrive. Please bring a form of payment. There may be changes to your appointment during the procedure which may result in additional charges.

REGULAR CLEANING APPOINTMENTS: We collect all estimated co-pays in full when you arrive. Please bring a form of payment. There may be changes to your appointment during the procedure which may result in additional charges.

POST OPS: Post ops are no charge unless x-rays are taken. We collect all estimated co-pays in full when you arrive. Please bring a form of payment. There may be changes to your appointment during the procedure which may result in additional charges.

*No-Shows and cancellations within 48 business hours are subject to a cancellation fee.
